New Complete Knuckle Assemblies Now Available!

**Easy Installation -
Save up to 50% Labor Time!**

The PTC New Complete Steering Knuckle Assembly program is designed to save time and reduce warranties by making problematic bearing replacement easier.

Our preassembled units eliminate the need for specialty tools or a press resulting in a faster, easier installation that can save up to 50% labor time.

**NO SPECIALTY
TOOLS REQUIRED!**

PART NO.	PLACEMENT	APPLICATION	VEHICLE POPULATION*
